Arrangement and Horticulture Judges.

There will be something for every level of arranger and beginners are welcome. For ARS arrangements judges the class has been approved for 2 judges credit hours.

Lectures will cover, styles, mechanics, and backgrounds. We will have plenty of time for fun and spend a little time on what are those judges thinking! After lunch everyone can practice what they have learned and discuss what is good and bad.

Registration fee is \$12 which includes lunch from Lil Paul's BBQ. Please bring our own pruners and other arrangement tools and any container that you would like to try. We will provide flowers, and extra containers.
